1. 支付

1.1 Admiral Markets随时保留自行决定接受或拒绝客户支付要求的权利。请注意，Admiral Markets不接受或处理转往或源自属于非客户（第三人）的帐户的支付。

1.2 如果提取资金，Admiral Markets保留向同一银行，中间银行和客户用于进行首次或任何先前支付的同一帐户执行此类请求的权利，无论客户选择何种提款方式。

1.3 Admiral Markets随时保留拒绝执行支付并要求提供其他文件的权利，以检查支付来源或Admiral Markets认为有必要。

2. 其他支付详情

Moreover, in the event that the client has made an erroneous or incorrect Payment request, Admiral Markets shall not be obligated to reclaim the Payment from the Payment Service Provider nor reimburse the client for any fees, costs or other expenses occurred therein. The client shall be responsible for compensating Admiral Markets for any costs or damages incurred as result of the erroneous or incorrect Payment request.

4. 费用

4.1 Opening a trading account or demo account is free of charge.

4.2 Should the base currency of a client's trading account differ from the base currency of the transferred funds, the amount transferred will be converted to the base currency of the client's trading account. 4.4 Should any additional bank service charges apply to the transfer (from the receiving bank or intermediary bank), the amount will be deducted from the funds to be transferred. As a result of this the client may receive an amount below what was originally intended. Admiral Markets will not be liable for any service charges imposed to transfers by other banks.

4.5 Should a transfer which entails debit of service charges (i.e. A type of transfer service charge such as “All charges to Beneficiary” or “Shared Cost”) be made out to an Admiral Markets bank account, the charges will be deducted from the amount to be transferred to the client’s trading account.

4.6 Admiral Markets processes fund withdrawals from the client’s trading account on the same business day provided the request for a withdrawal of funds has reached Admiral Markets before 17:00. Requests for withdrawals received by Admiral Markets after 17:00 on business days or on weekends, national and bank holidays will be processed on the next business day.

4.7 Applicable fees are charged in the same base currency as used on the client’s trading account - i.e. if the base currency of an account is AUD charges will apply in AUD, if the base currency of an account is EUR charges will apply in EUR etc.

4.8 Please note that trading may entail additional fees, which are related to rollovers (e.g. swaps or interest fees) for positions on any instruments held overnight and credit/debit of dividend adjustments for positions on stock CFDs and index CFDs, pursuant to the terms and conditions established in the Contract Specifications section of the Admiral Markets’ website.

The client is strongly recommended to keep their anti-virus software up-to-date and to continuously check their computer for viruses.

6.2 Under no circumstances shall Admiral Markets be held responsible for any delays, malfunctions and/or outages of the payment systems and/or any other technical systems, which belong to or are operated by the Payment Service Provider and/or for the results of such delays, malfunctions and/or outages.
